lock up your meds

Nearly half of people misusing pain relievers, including prescription opioids, get them from a friend or family member.¹

Simple steps, like locking up medications, can stop them from being misused.

STOP OPIOID MISUSE Your choices matter

- ✓ Prescription pain medication is highly addictive. Talk with your doctor about other ways to manage pain.
- ✓ Lock up your medications.
- ✓ Safely dispose of unused medications at a take-back location near you. Find one at [MedTakeBackWashington.org](https://www.MedTakeBackWashington.org).
