simple

step

take back your meds on October 29th

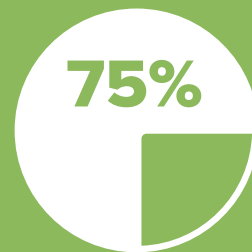

Location:

Time:

Protect your loved ones *and* the environment.
Dispose of unwanted, unused or expired
opioid prescriptions safely.

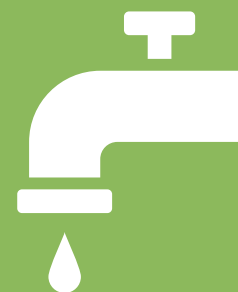

SAVE A LIFE

75 percent of opioid misuse starts with people using medication that wasn't prescribed for them, usually taken from a friend or family member.²

SAVE OUR ENVIRONMENT

Medicines have been found in Pacific Northwest water and soils, threatening the health of our wildlife and drinking water.³
