

one simple step

Drop off your old or unused meds.
Stop opioid misuse.

It's easy to do.

Scan to find a take-back kiosk near you and get instructions for safe disposal.

YOU COULD SAVE A LIFE

75 percent of opioid misuse starts with people using medication that wasn't prescribed for them, usually taken from a friend or family member.¹ Getting rid of unused medications, can prevent them from being misused. Drop them off at a secure kiosk.
