

one simple step

take back your meds

Protect your loved ones by disposing of unwanted, unused or expired opioid prescriptions safely at a safe disposal site.

Mail-Back services for expired or unwanted medicines are available, free of charge, to all Washington residents upon request. Visit **MedTakeBackWashington.org** to request free mail back envelopes.

Community kiosk drop-off sites across Washington are a safe, convenient and secure way to dispose of any leftover medications. To find a location near you, visit **MedTakeBackWashington.org** and enter your zip code.
