

Take back your meds on April 25.

Protect your loved ones. Safely dispose of unwanted, unused or expired opioid prescriptions at a Take Back Day site.

Washington State
Health Care Authority

47%

Nearly half of people misusing pain relievers get them from a friend or family member.¹

14,899
lbs

Washingtonians returned 9,057 lbs. of medication during last year's National Take Back Days. Since 2016, over 349,000 lbs. have been safely disposed of.²
